Make sure you follow the worksheet we used in class (11 March). Describe the picture in detail with well-chosen language so that someone who cannot see could imagine it.

Timeline: 27 March 2020

Hand it in to me via my email addresses

2. Presentation on chosen topics

In class we agreed on presentations on topics related to the USA. You are free to choose the topic yourselves according to your interests. Here are some ideas we have collected:

- buildings in California
- Venice beach
- life in the USA: houses, flats, rent ... / life style
- food
- cities
- nature
- NBA
- WWE
- school system
- NASA
- the wall between the USA and Mexico
- Native Americans
- ...

If you have an idea which is not on the list, feel free to choose it.

Please research your topic in detail and make sure you understand it well enough to present it to us. Your presentations can be

- a poster (created by hand or PC)
- a PowerPoint Presentation or similar
- a collage (pictures/ words)
- a podcast

Make sure that your presentation has a visual part and a spoken part. You can speak before class or record an audio file.

You can work alone or in pairs, as long as you do not pass on the virus!

Time line: 1 April 2020 – Send me your ideas and details on the content via email.

27 April 2020 – Be able to present!
